Lambda Democrats, Hon. Gabriel Quinto .....

Brief description of your campaign – include the names of any consultants or campaign managers you will use, funds you have raised to date, and how much to expect to have to raise to win. \*

2020 election cycle is like no other election I have ever seen. People are sick or have No Money to give, let's face the truth. My campaign is simple all Transportation Agencies are in dire straights. And FUNDING FOR ALL is a new hashtag! Starting from Zero is the new reality. Safety of the workers, the riding public is also my top priority in order for us to move forward. The AC Transit District was just in the black, things we're going good. Ridership was up. As I was Driving across the bay bridge during an earthquake that I didn't know was happening, thanking God and my lord that we (passengers and myself) survived and made it to the other side. I didn't stop the bus that day of October 17, 1989 and I'm not going to stop now until a sub-sustainable solution is found. And answer the question to ; Why's cutting bus service and raising fares has been the solution to every problem for the past 20 or more years? We need a new ideas.

Brief description of your history of involvement with and support for the Democratic Party and its candidates and ballot measure positions – include Democratic clubs/organizations to which you belong or which you have supported financially \*

Being a member of many Democratic Clubs (BWOPA, EBWPA, EASTBAY STONEWALL, WELLSTONE DEMS) and the union's (ATU LOCAL 192 & TEAMSTERS 851). Through these organizations my involvement and support has gained the 188,000 votes I received in the last 2018 election cycle for the AC Transit District race. They believed then, and in 2020 well Election Day is coming soon!

Albany prides itself on its waterfront, public schools, small town feel in a large metro area, local shopping and restaurant scene, and our city and its bodies are often debating how to make our policies and our modest city budget meet the diverse needs of our community and the needs of the region and beyond. Please provide a brief description of any impacts you have already had on the city of Albany and its residents and how, if elected, you see yourself balancing the needs of Albany with the needs of the greater region. \*

If elected to the AC Transit District Board I will see to it that the City of Albany will not be left out of any discussions about their bus service. I have personally driven your residents to San Francisco, your children to schools and the seniors to Safeway & the Public Library. I enjoyed serving you for 21 years. Thank you!
